A photograph of a white envelope with a library address, placed in a wooded area. The envelope is the central focus, with its address printed in black ink. The background consists of a dense forest of trees with green and brown leaves, suggesting an autumn setting. In the foreground, a white picket fence runs across the bottom of the frame. The envelope is slightly tilted to the right.

Ramblings

Volume II

Southeastern Community College

Whiteville, North Carolina

"Society is all but rude,
To this delicious solitude."

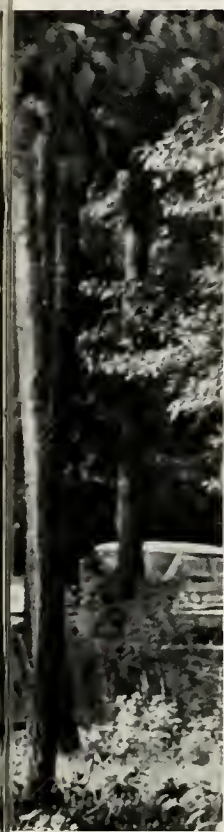

Different Strokes For Different Folks

"Season of mists and mellow fruitfulness
Close bosom-friend of the maturing sun."

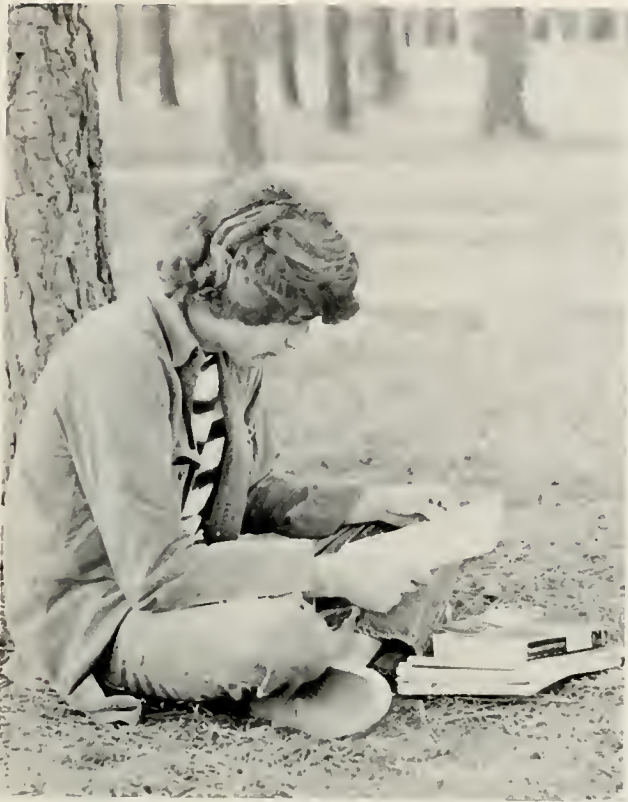

FOOSBALL!

One of the most popular offerings of SCC. It often draws larger numbers than regularly scheduled classes.

Concentration!

"... As the heart grows older
It will come to such sights colder."

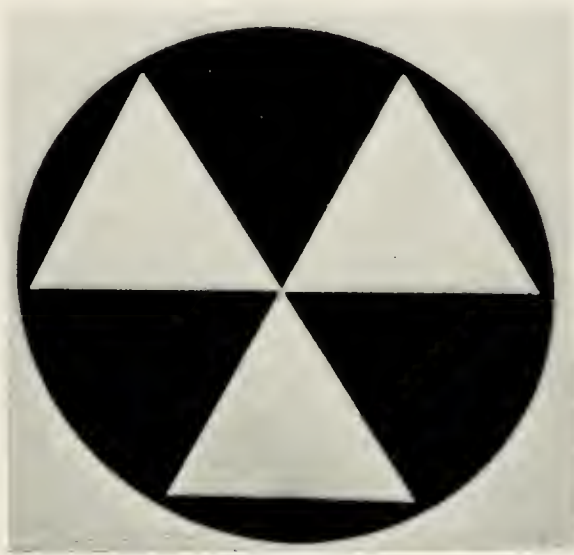

A silent Prayer

Who Us??

If you don't like it, do it yourself!

**FALLOUT
STARTS HERE**

I am always glad to welcome
a new student!

Uh-Oh! Caught again!

Has anyone got an Alka-Seltzer??

YES, but you don't know what I know!

Miss SCC

Is everyone
happy ??

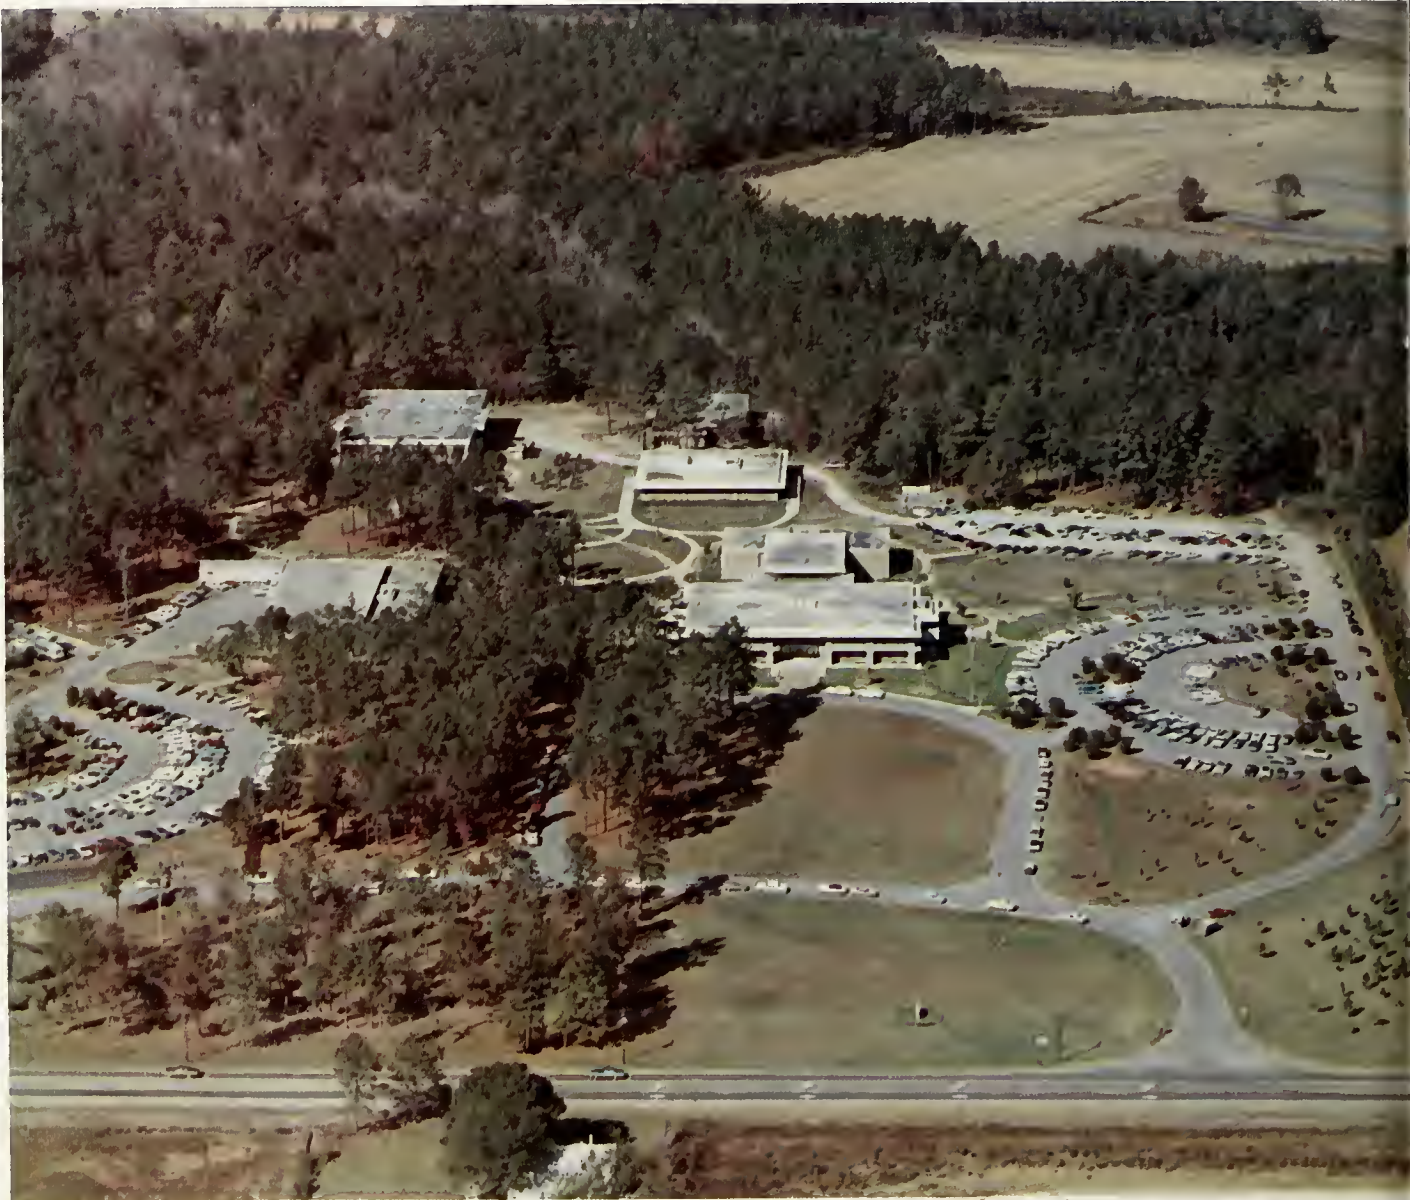

An Unusual "WINTER DAY" but
life at SCC still goes on.

Life at SCC!!

What's happening??

One of the many dances at
SCC!

Gee, it feels good to see a smile.

There you go, Hobbs, pointing your little finger again!! Being chairman of the drama club can be too much sometimes.

Well, looky here! The Drama Club proudly presents Charles Dickens' play *A Christmas Carol*.

What could be better than sitting around listening to old folk tunes demonstrated by our friend Mr. Brownlee.

What is happiness??

. . . Could it be the sun as it slowly hides beyond the trees. Or the fact that night brings together friends.

We can't forget the choir's fascinating trip to Florida. Touring under Mr. Burkhardt's direction, our choir first performed at Disney World!! Then they gave concerts for Mr. Elbert Clemmons and for Mr. Burkhardt's home church in Miramar, near Miami.

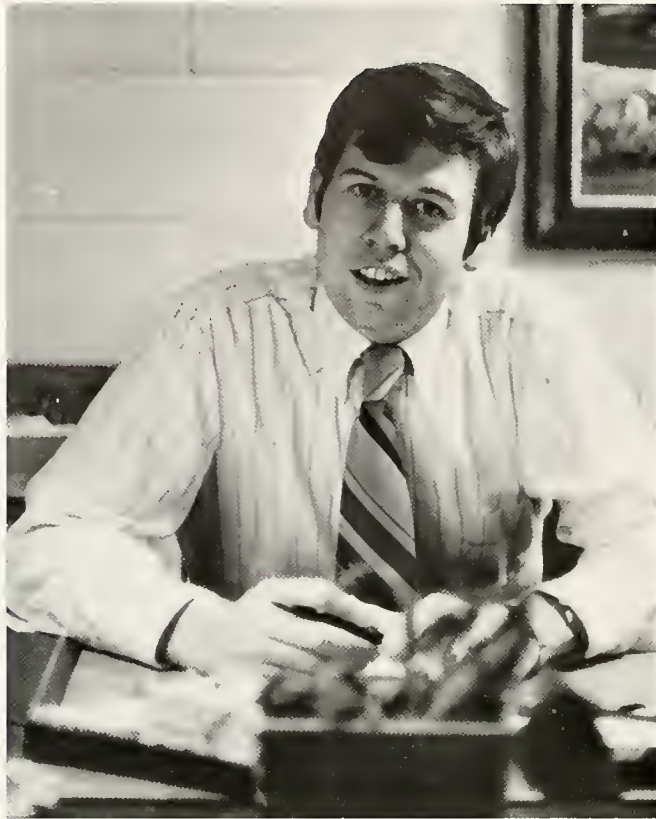

Fun, Fun, Fun!

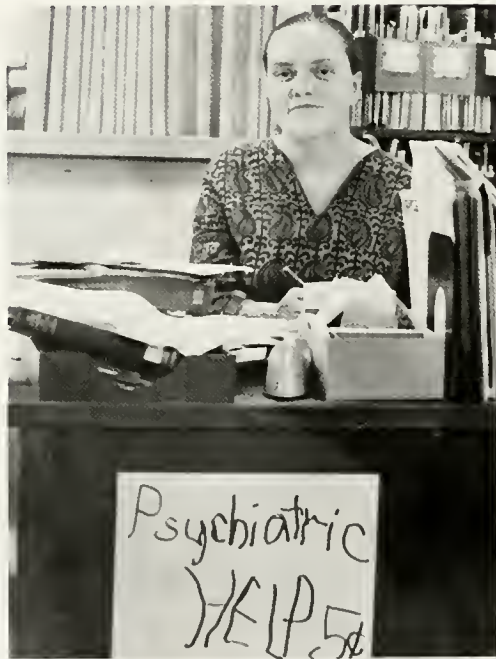

I thought the Choir was all work and no fun. Maybe they had too much fun?

And just what is your excuse?

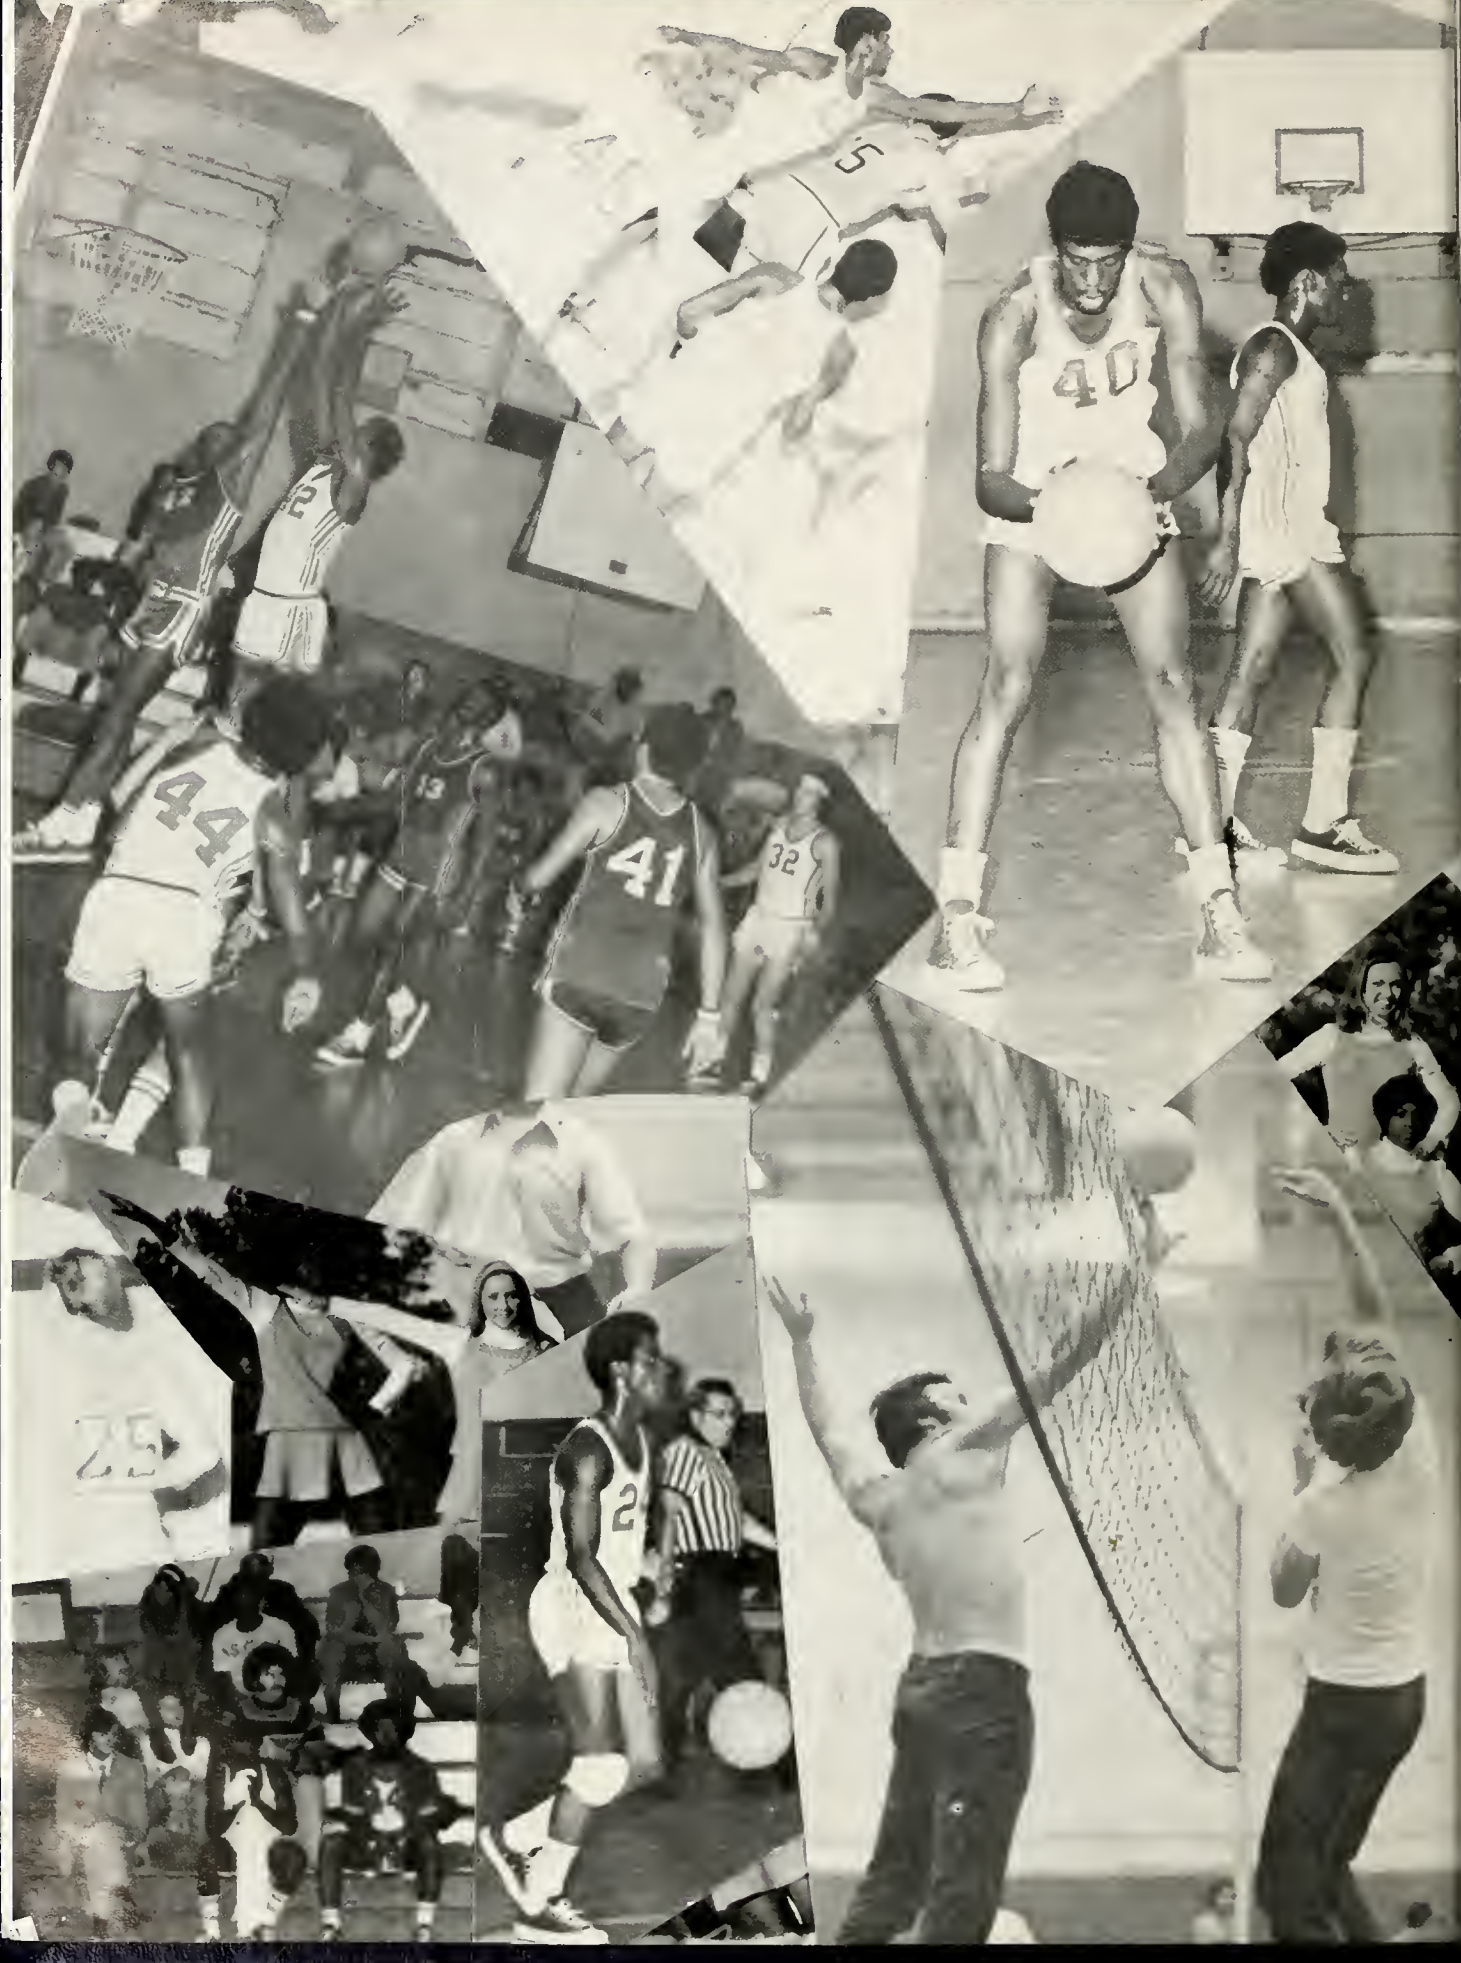

Come on in. We are having a special today.

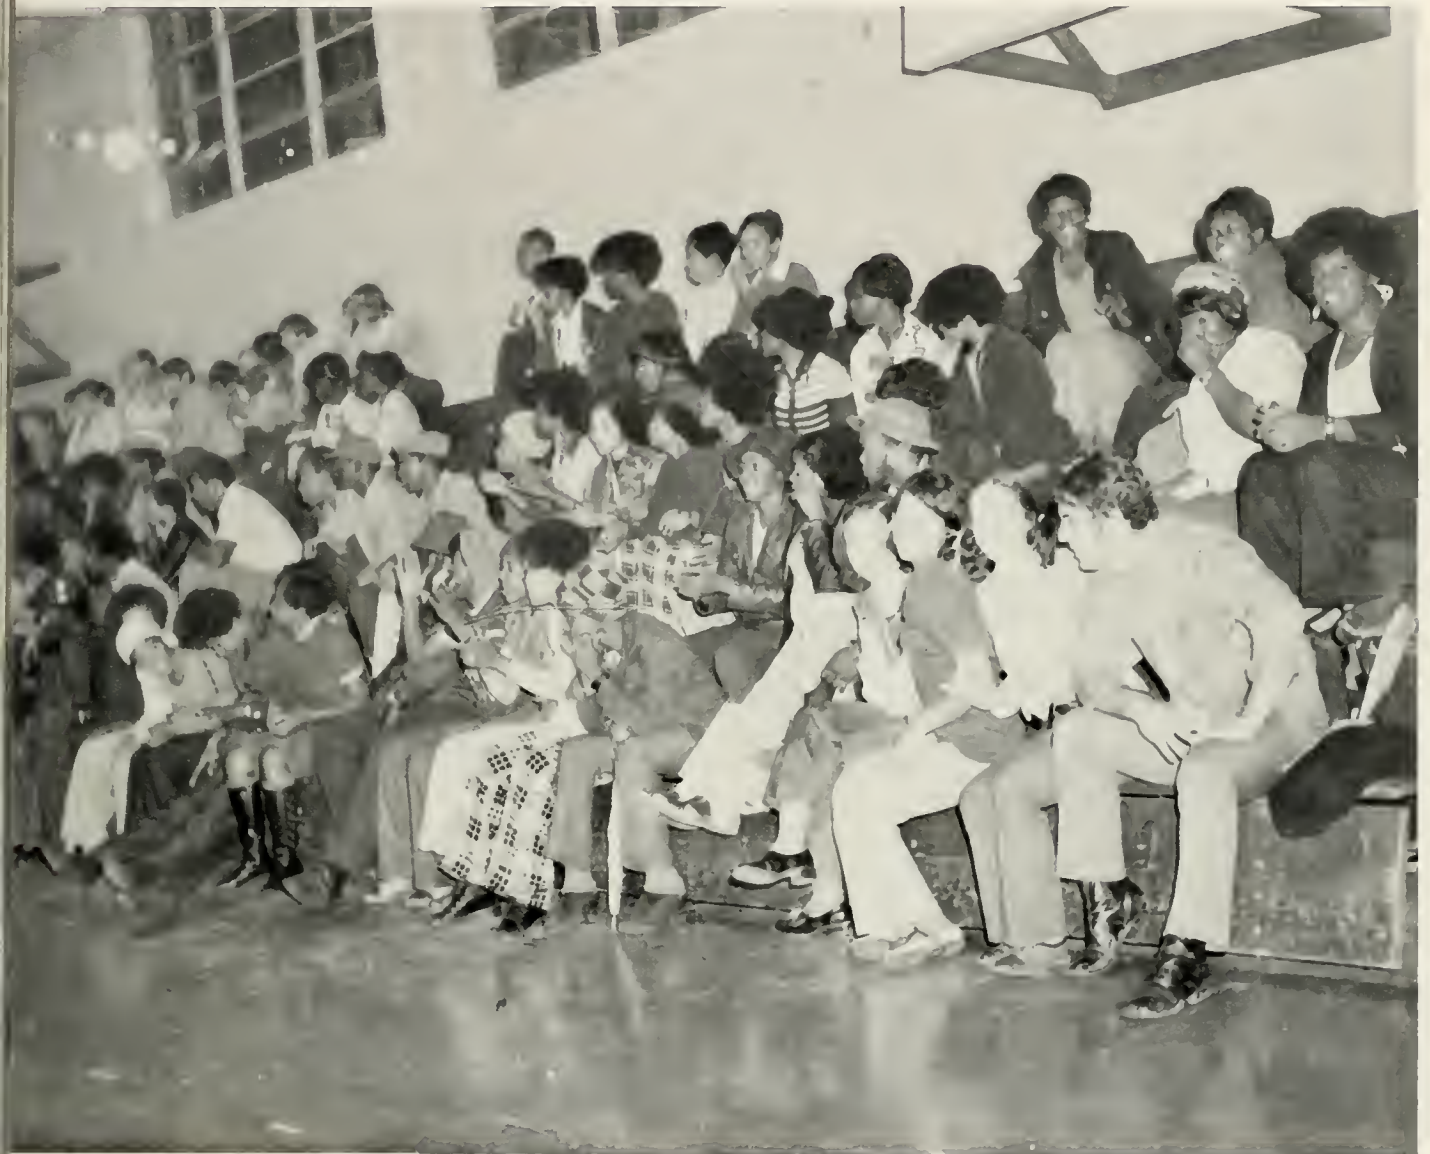

No, I am sorry. This is not the State Correctional Institute.

AHhhh! At last, not a student in sight.

SPORTS !!!!

TEAM SPIRIT!!!

That's all a team needs to be NUMBER ONE!

VOLLEYBALL TEAM
AND
COACH BOB YOUNG

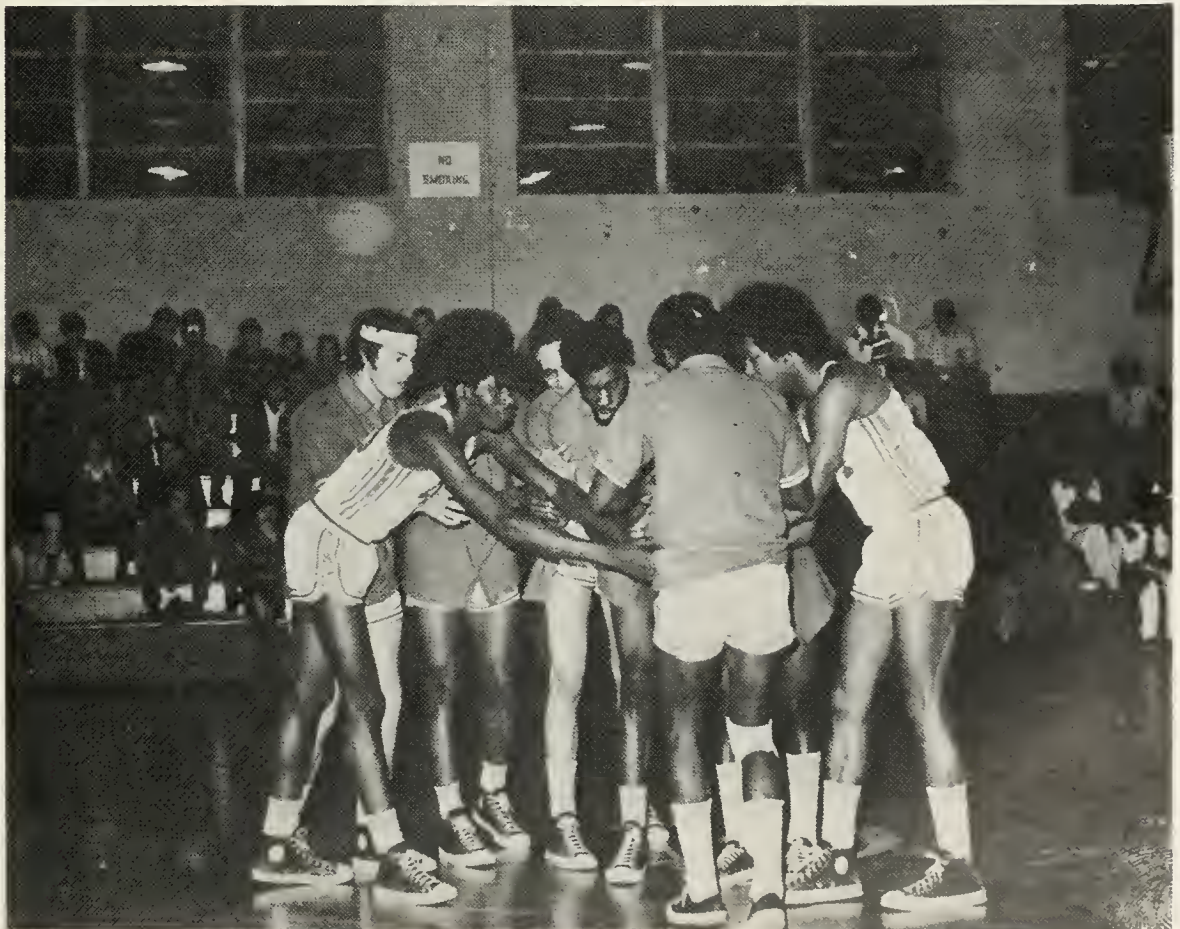

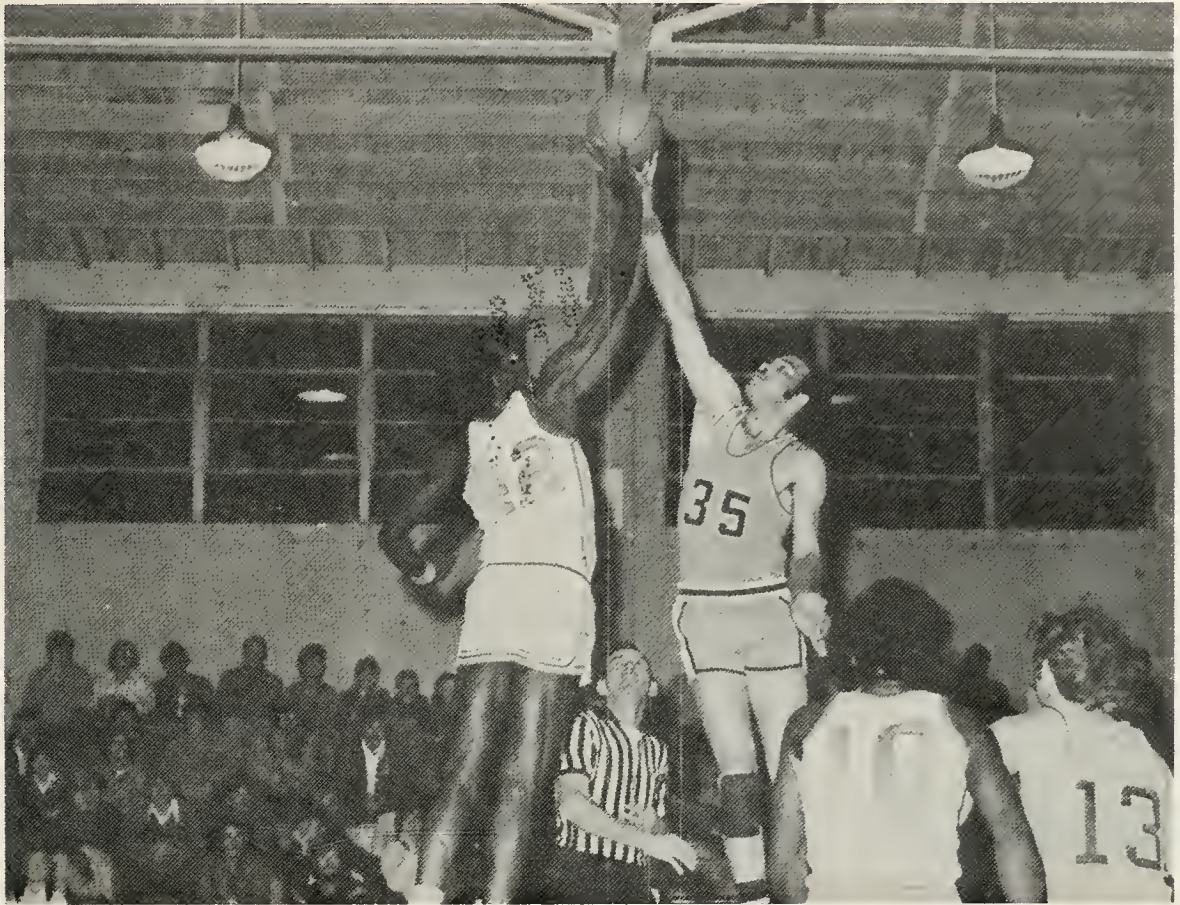

"The Life of Man Is Made Up of Action And Endurance," plays a very important part in the Athletics of Southeastern Community College. This is shown by the outstanding record obtained by the Ram's Basketball team. Athletics also produce good Character, something that we can always be proud to possess. Though HERCULEAN or mouse we have all obtained something of value from our athletic program. Physical development provides the foundation for our development as well-rounded individuals. We feel the thrill of winning and experience the agony of defeat. Our school spirit at times has lagged but on other occasions a spark has been ignited. As this spark dies, we strain our every sinew to produce a winning team; we are aware of our hardships, but we stand the CHALLENGE with resolute hearts. DARE you defy us!

Una noche de verano
—estaba abierto el balcón
y la puerta de mi casa—
la muerte en mi casa entró.
Se Fue acercando a su Lecho
—ni siguiera me miro—,
con unos dedos muy Finos,
algo muy tenue rompió.
SiLenciosa y sin mirarme,
la muerte otra vez pasó
deLante de mí. ¿Qué has hecho?
La muerte no respondió.
Mi niña quedo tranquila,
dolido mi corazón.
¡Ay, lo que la muerte ha roto
era un hilo entre Las dos!

by Antonio Machado y Ruiz

This is one of the many Spanish poems students read in Spanish Literature. Mr. Sink teaches not only Spanish but also French.

Secretarial Pool

A school could never operate without the efforts of its secretaries. This certainly can be said for the secretaries of S.C.C. We, the staff of the 1973 — 74 RAMBLINGS, proudly salute them for their cheerful smiles and constant dutifulness.
